## About This Content

Now you can take your adventures out onto the High Seas with a new pack of resources for creating tropical islands, high-sea adventures, and more!

The Medieval: High Seas resource pack comes with tropical island tiles, new buildings and building interior tiles, ships and shipwrecks, themed clothing for character-creation, and yes, even some new monsters that lurk in the depths of the abyss!

### Features:

- \* 8 Tile sheets for tropical islands and interiors and 11 new trees.
- \* 80 pre-made buildings to construct towns upon your tropical island!
- \* 8 monsters (including a massive Kraken!) featuring numerous spritesheets (all but one include animated side-view battlers), facesets, busts, and Front-View battlers.
- \* 5 Parallax images for adding your own clouds and water.
- \* 8 unique character templates with 42 pieces of clothing, hair styles, equipment, and more to allow you to create countless unique characters. These are fully compatible with other templates and clothing/hair/accessories from other Medieval packs.
- \* Each character template and piece of equipment/clothing/etc comes with the resources to create over 50 different spritesheets ranging from walking, running, sleeping, sitting, side-view combat, down poses, idling, and much more – all in 4 and 8 directions! On top of that, each comes with the resources to make busts, paperdolls, and facesets!
  - \* 4 Pre-made characters.
- \* 5 Animation sheets for fish, a crab, and multiple directions of animated waves.
